

Public Release Meeting

Join Youth Ministries for Peace and Justice (YMPJ) for the public release of the Southern Boulevard Brownfield Opportunity Area (BOA) Study Recommendations Report.

After a year of listening, collaboration, and research, the Southern Boulevard BOA Study is complete—and we're excited to share the final recommendations with you!

More than a report, this is a shared vision shaped by community voices. Based on input from residents, organizations, and stakeholders, the team has outlined equity-focused strategies for the future of the Bronx River corridor.

At this community meeting, we'll present key highlights, including redevelopment opportunities, improved access, and neighborhood-wide improvements—all grounded in community priorities.

Whether you've been involved from the start or are just joining, your voice matters. This will be a hybrid meeting—you can join virtually or attend in person to see how your input shaped the vision—and how you can share final thoughts during the comment period.*
